

GROW LOYALTY AND LTV ACROSS THE SHOPPING JOURNEY

Inveterate's integration with Rebuy encourages customers to join your brand's loyalty program during the shopping experience and directly after purchase – **driving higher conversion, customer acquisition, and repeat purchases.**

Drive Conversion When It Matters Most

With the Rebuy Merchandising Widget, showcase the high-value benefits of your loyalty program on the Product Detail Page to drive more incentive for purchase.

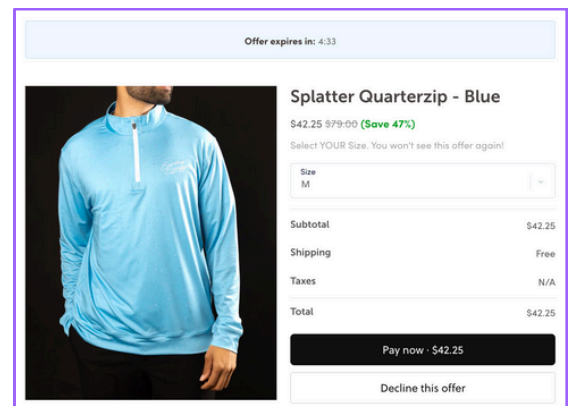

Turn New Customers into Loyal Buyers

With Rebuy Smart Cart™, showcase your loyalty program during purchase to drive customer acquisition and eliminate abandoned carts.

Shorten Time to Repeat Purchase

With Rebuy Post-Purchase Offers, create personalized promotions to drive loyalty sign-ups right after purchase. Members have been seen to make **3X** more purchases than non-members!
